

Carousel Industries Introduces Carousel Capital Finance

Exeter, Rhode Island, February 16, 2010 - Carousel Industries Introduces Carousel Capital Finance - the new way to ensure that you not only have the best business solution partner working for you but that you also now have the peace of mind knowing that we have the Capital Finance offers to help you support your business technology investments. Carousel Capital Finance makes technology solutions easy to own and easy on the balance sheet, enabling you to focus your financial and other resources on managing and growing your business. With Premiere Pricing for well-qualified customers, affording the technology your business needs is easier than ever!

With this initiative we are happy to announce that David White has accepted the leadership role as Director for Carousel Capital Finance, formerly Carousel Industries Financial Services. David brings a strong background along with 25 years experience in sales and channel management in the technology solutions sector and Capital Finance business with CIT, Avaya, AT&T and Carousel Industries.

Carousel Capital offers many benefits:

- **Put the latest technology to work for your business.**
Don't hamper your business growth with outdated equipment. Reduce the risk of technology obsolescence and put the latest equipment to work for your business. Match the lease term with the technology's productive business life and simply return equipment at end of lease and move to the latest technology solutions. These offers make obsolescence - obsolete.
- **Align your payments to the benefits you receive from using the solution.**
With the convenience of one low monthly payment for your total solution, you can develop an IT strategy based on your business needs and cash flow. You may also receive potential accounting and tax benefits. Leasing may qualify your IT equipment costs as an expense versus asset.
- **Leverage built-in end-of-life services.**
Don't worry about how to dispose of equipment at the end of its useful life - we take care of it for you in an environmentally friendly manner.
- **Enjoy the flexibility to add on and upgrade as your needs change.**
As your business evolves and grows, leasing enables your IT to change with you. Finance your total solution to get the most from your IT budget - put the latest technology to work for your business today. Carousel Capital is a smart choice for all your business needs when investing in IT.
