

## Carousel Industries opens new office in San Mateo, California.

**Exeter, Rhode Island, November 16, 2009** – Carousel Industries is pleased to announce the grand opening of the newest office located at the San Mateo Centre in San Mateo, California, along the 92/101 corridor. This office is a part of the company's ongoing expansion.

"Given our nation's current economic struggles, this grand opening reinforces that Carousel is here to stay for the long haul. The west will be a major part of our growth in years to come and having offices in key geographies in the west will allow us to continue to deliver best in class solutions and service," states Carousel CEO Jeff Gardner.

As part of their ongoing expansion, Carousel Industries' latest office is important in creating a strong presence on the west coast. "The strategic location of the San Mateo office, as well as the addition of key personnel with 20 plus years of experience in the converged solutions space, allows us to better serve our growing client base in Northern California," said Marcy Kawadler, Sales Director for Carousel in Northern California.
